

DS XTREME HG LIMITED WARRANTY

This Limited Warranty (hereinafter “Warranty”) is provided by Florida CirTech, Inc. to the owner of the vehicle coated with DuraSlic XTREME HG (hereinafter “Coated Vehicle”). Please contact your nearest DuraSlic Certified Installer immediately if manufacturing or workmanship defects arise during the warranty period as set forth below for each coating respectfully. Please be advised that **THIS DOCUMENT INCLUDES WARRANTY DISCLAIMERS.**

Vehicles coated with DuraSlic XTREME HG will be warrantied for 5 years while under 60,000 miles when it is applied by a DuraSlic Certified Installer. This Warranty is valid from the date of invoice for the initial application of the Coating. This Warranty solely covers replacement of the DuraSlic XTREME HG Ceramic Coating on the Coated Vehicle. This Warranty does not cover application, installation, or replacement of any other related or non-related services and is at all times subject to the conditions, requirements, limitations, and terms set forth below.

This Warranty, for vehicles coated with DuraSlic XTREME HG (hereinafter “the Coating”), is subject to the following provisions.

Warranty Conditions

This Warranty covers blistering, bubbling, cracking, delaminating, or peeling of the Coating on the Coated Vehicle. The Warranty does not protect against paint chips, scratches, or other mechanical damages to the Coated Vehicle. This Warranty does not apply to vehicles used for commercial purposes.

In order to be covered under this Warranty, the Coatings must have been applied to the Coated Vehicle by a DuraSlic Certified Installer on a surface that is properly corrected and prepared to receive the Coating. The DuraSlic Certified Installer must be informed within 14 days of application of any suspected product failure. This Warranty is limited to preparing and re-coating the affected area to correct product failure on the Coated Vehicle. The correction shall be completed as soon as practicable. The correction must be completed at the facility in which the original application was performed unless otherwise agreed by the owner of the Coated Vehicle and the DuraSlic Certified Installer.

The Coated Vehicle must be inspected and maintained every six (6) months by a DuraSlic Certified Installer as described in Product Maintenance below.

Product Maintenance

The Coated Vehicle must be inspected by a DuraSlic Certified Installer every six (6) months to check the condition of the Coatings. During this inspection, the Coated Vehicle will be examined. If the vehicle requires cleaning for the purposes of conducting the inspection, cleaning costs must be paid by the owner of the Coated Vehicle. The DuraSlic Certified Installer and Florida CirTech, Inc. will in no way be responsible for pre-inspection cleaning costs.

The Coating must be maintained by using a hand wash system only. The Coated Vehicle must not be washed by any other means, including but not limited to automatic car wash systems. The Coated Vehicle must not be washed, cleaned,

or otherwise maintained using any harsh chemicals. Only a pH neutral car wash soap should be used when washing the Coated Vehicle. Aggressive compounds or polish should never be used to clean or maintain the Coated Vehicle.

The Coated Vehicle must be maintained as described above or this Warranty will not apply. Please contact a DuraSlic Certified Installer with any questions or concerns regarding vehicle maintenance.

Agreement Exclusions and Limitations

This Warranty is limited to those items expressly set forth herein. Loss, damage, or other failures that will not be covered under this Warranty include, but are not limited to, the following:

- (1) Paint chips or other mechanical damages;
- (2) Damage caused by racing applications;
- (3) Damage caused by failure to repair and re-treat surfaces subject to accident damage in accordance with this Agreement;
- (4) Loss as a result of the Coated Vehicle being involved in a motor vehicle accident or collision;
- (5) Damage caused by any alteration or modification to the Coated Vehicle surface;
- (6) Damage caused by sprinkler systems and automated car washes;
- (7) Pre-existing damages that occurred prior to the term of this Agreement;
- (8) Damage caused by tar, acid, bleach, or other caustic, corrosive, abrasive, or harsh substances;
- (9) Damage resulting from neglect, abuse, or any intentional act;
- (10) Damage due to an original equipment manufacturer ("OEM") defect in the Coated Vehicle; or
- (11) Failure of the Coated Vehicle owner to adhere to any requirements listed under terms of this Agreement.

Further, Florida CirTech, Inc. will not accept liability under this Warranty if there is any evidence of:

- (1) Failure to follow the Product Maintenance requirements above;
- (2) Damage caused by tar, acid, bleach, or other caustic, corrosive, abrasive, or harsh substances;
- (3) Damage as a result of a motor vehicle accident or collision;
- (4) Damage caused by other voluntary or involuntary acts by the owner or agent of the owner of the Coated Vehicle; or
- (5) Failure to follow all requirements set forth herein.

Terms and Disclaimers

This Warranty shall be solely for the benefit of the owner of the Coated Vehicle at the time and date of invoice for the initial application of the Coatings. The benefit of this Warranty is personal and may not be assigned or transferred in whole or in part at any time.

IN NO EVENT SHALL FLORIDA CIRTECH, INC.
